Case No. 15-71074

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF NEW YORK

GLOBAL NOTES

1. Description of the Case

On March 18, 2015 (the "Petition Date"), the Debtor filed a voluntary petition with the Bankruptcy Court under Chapter 11 under case number 15-71074. The Debtor currently is managing its property and business as a debtor-in-possession pursuant to the Bankruptcy Code.

2. Basis of Presentation

The Schedules of Assets and Liabilities (the "Schedules") and the Statements of Financial Affairs (the "Statements", and collectively with the Schedules the "Schedules and Statements") of the Debtor have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtor with the assistance of its court-appointed advisors. The Schedules and Statements are unaudited and the Debtor makes no representation that any of the financial information contained in the Schedules and Statements have been prepared in accordance with GAAP.

Although management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete based on the information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. The Debtor reserves all rights to amend and/or supplement its Schedules and Statements as is necessary and appropriate. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any rights or claims of the Debtor against any third party, or with respect to any aspect of this chapter 11 case.

3. Summary of Significant Reporting Policies

The Schedules and Statements have been signed by Ms. Kristin Woodlock. In reviewing and signing the Schedules and Statements, Ms. Woodlock has necessarily relied upon the efforts, statements and representations of the Debtor's accounting and other financial personnel. Ms. Woodlock has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors. In addition, the following conventions were adopted by the Debtor in the preparation of the Schedules and Statements:

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF NEW YORK

In re: Federation Employment and Guidance Service, Inc. d/b/a FECS
Case No. 15-71074

a. Debtor

The Debtor's Schedules and Statements were prepared using the assets and liabilities pursuant to such Debtor's accounting records.

b. Reporting Date

The Debtor's Schedules and Statements were prepared with data as of the Petition Date. The Debtor closed its books immediately upon filing for Chapter 11 in order to have a "clean cut-off" and to begin a new reporting period. The Debtor made all attempts to complete a "hard close" prior to filing the Schedules and Statements, however due to the short time frame allotted several accounts may continue to be adjusted after the Schedules and Statements are filed.

c. Book Value

To the extent available, the appraised value of assets is noted; otherwise while current valuations were obtained with respect to certain major assets, it was too expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests. The carrying value on the Debtor's books (net book value) of the Debtor's interests in property and of the Debtor's liabilities is reflected on the Debtor's Schedules and Statements.

d. Accounts Receivable and Payable

The Debtor maintains its own records pertaining to its accounts receivable and payable.

e. Property and Equipment - Owned

Unless otherwise noted, owned property and equipment are stated at net book value. Amounts ultimately realized from any asset, or the actual value of any such asset to the extent it must be determined in connection with this chapter 11 case, may vary from the values stated in the Schedules and Statements and such variance may be material. The Debtor reserves the right to contend and/or prove that the value of any asset set forth in the Schedules may, in fact, be different from the value ascribed to that asset in the Schedules.

f. Property and Equipment - Leased

In the ordinary course of business, the Debtor leases equipment from certain third-party lessors for use in daily operations. The property subject to such leases is not reflected in the Schedules and Statements as either owned property or assets of the Debtor or property or assets of third parties within the control of the Debtor. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect to any such issues. Similarly, the Debtor may have in its possession certain equipment which is owned by third party customers but which remains in the Debtor's possession. To identify each item would be unduly

EASTERN DISTRICT OF NEW YORK

Case No. 15-71074

burdensome. Accordingly, such property and equipment is not reflected in the Schedules and Statements as owned property or property of third parties within the control of the Debtor.

g. Payments to Creditors

The Debtor has scheduled payments to creditors made within the 90 days prior to the commencement of the Chapter 11 case on the appropriate Statement of Financial Affairs 3(b). The Debtor has not scheduled payments made to employees that were not officers or directors of the Debtor or one of its affiliates during the 90 days prior to the Petition Date to the extent such payments were ordinary course payments of wages or other compensation. These ordinary course payments represent thousands of transactions and are not listed in the Schedules and Statements.

h. Intellectual Property Rights

Inclusion of certain intellectual property rights on the Schedules and Statements shall not be construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Accordingly, the Debtor reserves all of its rights with respect to the legal status of any such intellectual property rights.

i. Causes of Action

The Debtor has not set forth all causes of action against all third parties as assets in its Schedules and Statements. The Debtor reserves all of its rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

j. Schedule D

Except as otherwise agreed in accordance with a stipulation or agreed order or any other order entered by the Bankruptcy Court, the Debtor reserve its rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Holders of secured claims by virtue of holding setoff rights against the Debtor are not included on Schedule D. Lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. The Debtor may not have scheduled all alleged mechanics' or material men's liens on Schedule D. The descriptions provided in Schedule D are intended only to be a summary of the information available to the Debtor. Finally, the balances reflected on Schedule D are, to the best of Debtor's knowledge as of November 30, 2014, and accordingly have not been reduced for authorized postpetition payments.

EASTERN DISTRICT OF NEW YORK

In re: Federation Employment and Guidance Service, Inc. d/b/a FECS
Case No. 15-71074

k. Schedule F

In accordance with certain "first day" and final orders, the Debtor is authorized to pay the prepetition claims of various creditors in the ordinary course of business. Payments made after the Petition Date pursuant to the first day orders may not be accounted for in Schedule F for the Debtor. The Debtor also expressly incorporates by reference into Schedule F all parties to pending and potential litigation listed in Exhibit 4(a) to the Debtor's Statements as contingent, unliquidated and disputed claims, to the extent not already listed on Schedule F. All parties to executory contracts, including those listed on Schedule G, are holders of contingent and unliquidated unsecured claims against the Debtor arising from (i) obligations under those executory contracts and/or (ii) rejection damages in the event any such executory contract is rejected. Not all such claims are listed on Schedule F.

l. Schedule G

The operation of the Debtor is complex. While reasonable best efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtor hereby reserves all its rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Additionally, the placing of a contract or lease onto this Schedule shall not be deemed an admission that such contract is an executory contract or unexpired lease, or that it is necessarily a binding, valid and enforceable contract. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, change orders, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. All executory agreements that are oral in nature have not been scheduled. The Debtor may be party to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such documents are not set forth on Schedule G.

4. Claims

The Debtor's Schedules identify creditors and set forth the Debtor's estimate of the claims of creditors as of the Petition Date. Such Schedules capture claims the Debtor were aware of as of the Petition Date but may not have captured all claims. Claim amounts will be amended as appropriate for any such items subsequently identified. In

EASTERN DISTRICT OF NEW YORK

Case No. 15-71074

addition, payments have subsequently been made to certain claimants in accordance with Bankruptcy Court orders in the Debtor's case. Accordingly, the actual unpaid claims of creditors will differ from the amounts set forth in the Schedules and Statements.

5. Employee Claims

The Bankruptcy Court entered "first day" and final orders granting authority to the Debtor to pay certain prepetition and postpetition employee wages, salaries, benefits and other obligations. Pursuant to such authority, the Debtor made postpetition payments to employees on account of prepetition obligations. Accordingly, the Debtor believes that almost all employee claims for prepetition amounts for which the Debtor has received authorization to make payment either have been satisfied or are in the process of being satisfied.

6. Disputed, Contingent and/or Unliquidated Claims

Schedules D, E and F permit the Debtor to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtor reserves its right to dispute, or assert offsets or defenses to any claim reflected on these Schedules as to nature, amount, liability or status, or to otherwise subsequently designate any claim as disputed, contingent, or unliquidated.

7. Accuracy

While the Debtor has sought to file complete and accurate Schedules and Statements, inadvertent errors and omissions may exist. Accordingly, the Debtor reserve its right to amend, modify, supplement, correct, change or alter any part of its Schedules and Statements as necessary or appropriate..

8. Global Notes Control

In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is a creditor, the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor", include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community".

If the claim is contingent, place an "X" in the column labeled "Contingent". If the claim is unliquidated, place an "X" in the column labeled "Unliquidated". If the claim is disputed, place an "X" in the column labeled "Disputed". (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion" on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
